

A1

Meet my teacher

My teacher's name is Doroteja Borozanovic. She has brown hair and brown eyes. She's very nice and very patient. She teaches all of my subjects. My teacher is very smart and her classes are fun and interesting. She has good sense of humor cuz she tells good jokes. I wouldn't change anything about her cuz she's great just the way she is. I am very happy to have her as my teacher.

Ana Živković, HELLO, Belgrade
