

A2 Around the World

I found the book. I read words and I showed up in Italy. I ate pizza. I visited the museum and the Colosseum. When I opened my eyes I was in the Himalayas. I almost climbed 3 hours to Mount Everest. It's the highest peak. I fell in the Sahara. I rode a camel. I was in Papua New Guinea. I was talking to a bird of paradise when I wanted to touch it...everything turned to dust. I WOKE UP! That was dream. I want everyone to travel the world like me in my dream.
