

YOU HAVE JUST FOUND THE MAGIC WAND

What a day! I woke up and everything from that moment till now is absolutely unbelievable and shocking. Let's start with the most interesting thing, I've just found the magic wand!

Now, I feel the responsibility to use my magic wand smartly. I am sure that I'll try to solve some of the biggest global problems, but after that, the adventure can actually start. The first stop will be a trip to my past. A careless time of my life, that I would like to see just a moment from my future. And then I will just buy a big house on the island, throw a wand into the ocean and enjoy my life.
