My free time activities

It's Saturday. My favorite day, because I can do what ever I wont.

First I play on computer. It is a hard job, but someone has to do it. It's hard to beat every single one in the game "Crazy Flasher 3". I can not beat ten tigers in the game "Crunch ball 3000". When I finish playing on computer I watch TV. I must do that job to, because nobody wants.

Everybody is doing something, so I sit on sofa, take remote controler and press energy button. Then I start to watch. When the day finishes I am still happy because Sunday is my day for cinema and theatre.
