

A1

This is what I like to eat

Different people like different food. I like to eat different food. I like to eat fast food and healthy food too. My favourite food is fast food. For example meat, ham, chicken, sausages, burger, but I like it spicy. I like burger with salad, ham, chilli souce, tomato, and it's very tasty. My favourite sweet is chocolate Milka.

That is what I like to eat.
