Traditions from my region

Valjevo is a city in the west of Serbia. Valjevo has got many customs.

One of the traditional festivals is `Tesnjarske veceri`, which is held in August. Many people from Valjevo and its region come to the city centre. When it is night, some people dance, some sing and some act. Everobody is happy.

One of the most important traditions is Family Saint`s Day. In my family many people come to my house and we have a big lunch.

At Christmas we also organise a big lunch. Children get presents and we decorate the Christmas tree.

I think these are the best traditions.
