Dear Diary,

I haven't written to you in such a long time!

What a fantastic day it was! As usual, I woke up around 7 a.m. and got ready for the 'children's prison' - School.

I hate having to wake up that early because I feel sleepy all day. The classes weren't that difficult, so I was delighted.

However, I got extremely bored in my maths lesson because I'm excellent at maths! After school, I went with my best friend and my parents to the Belgrade zoo!

We had a great time! It was warm and sunny, we were eating pop-corns while we were watching those cute, funny and dangerous animals. Afterwards, naturally we had to grab a bite at McDonald's! We were full! We really enjoyed the day!

On our way back home I was looking forward to seeing my friends. However, my parents spoiled the fun by telling me that I had to stay in because I hadn't studied all day!

P.S. I have a test in chemistry tomorrow!

Well, time to go now, see ya soon!
