

“And then I heard a knock on the door....”

That was a boring day, like others. I came home after school. I lay in my bed and took my phone. I started to play Clash Royale. There were super magical chest and silver chest. I joined the battle. After a few battles I opened the silver chest. Yeah, there weren't any amazing cards. Suddenly some kind of message appeared on my screen. “You are the lucky winner of Clash Royale meeting with card characters”. I thought that was some kind of joke or some kind of hack. I searched on the net and there wasn't anything about it. I closed that message and joined the battle. And then I heard a knock at the door ...
