One hot summer day my friend Lisa and I were bored. So we decided to go swimming in ‘Mermaid bay’.

A hundred years ago people were talking about mermaids in our bay. But we didn’t believe in that. So we went to the bay. Lisa immediately jumped into the water. And after five minutes she came out of the water screaming – ‘Mermaid!’

When she calmed down she explained that she saw a mermaid sitting on a rock. We immediately jumped into the sea and swam to that rock. And it was true. A real mermaid was sitting on the rock! Lisa brought her waterproof camera so we took a photo of her.

Later that day I posted that photo on Instagram. And then I heard a knock at the door...
